TRANSLATION & INTERPRETATION NETWORK

Introduction to Forensic Interpreting for Bilingual Dual-role Staff

This 3-day virtual dual-role introduction to forensic interpreting for bilingual dual-role staff will:

- focus on the essential foundations of bilingual interpreting in a forensic setting & specific applications to a dual-role staff functioning as an interpreter within the forensic context.

- teach participants techniques, theory, concepts, terminology, performance, and best practices for providing interpretation.

This training is also highly applicable to any staff member involved during the forensic process working with an interpreter and/or those who interact with a limited English proficient population.

Delivery

This training will be delivered live via a secured platform, and will include curriculum and certificates.

Date: Nov. 15, 16 and 17
Time: 9:00 AM to 4:00 PM
Cost: $299 per participant
